ACTION REQUIRED - REFERENCES				
<p>REF: EGMA - 64835</p> <p>1. We appreciate the initiative taken by the USAREUR representative in attempting to assist the QKACTIVE book program by inviting U.S. Army tourists to give books to Soviet citizens. If the pilot run proposed in reference is undertaken, we assume it will be followed up and evaluated.</p> <p>2. Our attitude is that if it proves feasible and desirable to have books carried in by military tourists, all approaches and arrangements should be made through QKACTIVE's mechanisms developed for this purpose and that there should be no KUBARK participation. Such programs will require KUBARK coordination but QKACTIVE has sufficiently broad and flexible mechanisms to handle such programs on their own.</p>
